IN HOUSTON, TEXAS**

Not for distribution to U.S. newswire services or for dissemination in the United States

TORONTO, May 21, 2014 – Starlight U.S. Multi-Family Core Fund (TSX.V: UMF.A, UMF.U) (the “**Fund**”) announced today that it has acquired a 50% interest in the Villages at Sunset Ridge (“**Sunset Ridge**”), a 257 unit, garden style, Class “A”, apartment complex completed in 2013 and located at 14807 Woodland Hills Drive, Humble, Texas, a rapidly growing area of North Houston. The remaining 50% interest in the property will be indirectly acquired by Daniel Drimmer, a Director and the Chief Executive Officer of Starlight U.S. Multi-Family Core GP, Inc., the Fund’s general partner, and the principal of the Fund’s manager, Starlight Investments Ltd. All decision making in respect of Sunset Ridge, including day-to-day and material decisions, will be jointly made by Mr. Drimmer and the Fund through established governance practices.

Sunset Ridge consists of nine, three storey walk-up buildings on an 11.45 acre site. The property is comprised of one, two and three bedroom suites and is located in close proximity to the Falls at Eagle Creek, a property which the Fund currently has a 35% interest in. Each of Sunset Ridge’s apartment units contain modern features including faux wood flooring and granite countertops. Amenities at the property include a central clubhouse containing a business centre with Wi-Fi access, a fitness centre, a games room with billiards, a dog park and an outdoor swimming pool. Sunset Ridge’s current occupancy is approximately 94.6%.

In connection with the acquisition of Sunset Ridge, new financing in the amount of approximately US\$10.4 million has been secured for a three year term with two one year extensions available. Subject to certain conditions, financing is interest only and payable at a blended rate of 3.52%. The Fund and Mr. Drimmer have each assumed responsibility for the liabilities of Sunset Ridge on a pro-rata ownership basis. In order to satisfy its cash portion of the purchase price, the Fund intends to refinance its loan on the Bridgmoor at Denton in the approximate amount of US\$19,500,000 at a floating rate of interest, which is currently 2.49%, for a seven year term with principal payments commencing in the second year of the loan based on a 30 year amortization period.

Greystar Real Estate Partners (“**Greystar**”), the third largest third party, multi-family property manager in the United States and the largest multi-family property manager in the Houston area, has been selected to continue to manage Sunset Ridge. Greystar is also currently managing the Falls at Copper Lake and the Falls at Eagle Creek in Houston for the Fund.

The Fund now owns and operates a portfolio comprising interests in 2,004 recently constructed, Class “A”, stabilized, income producing multi-family real estate suites located in Dallas-Fort Worth and Houston, Texas.
