### STARLIGHT U.S. MULTI-FAMILY (NO. 5) CORE FUND PROVIDES UPDATE ON IMPACT OF TROPICAL STORM HARVEY ON TEXAS PORTFOLIO

*Not for distribution to U.S. newswire services or for dissemination in the United States*

**TORONTO, September 6, 2017** – Starlight U.S. Multi-Family (No. 5) Core Fund (TSX.V: STUS.A, STUS.U) (the “Fund”) today updated the initial condition assessment of its multi-family properties located in the State of Texas and re-confirmed that none of the Fund’s properties located in Houston, Dallas, Austin or San Antonio have incurred any material damage as a result of Tropical Storm Harvey. The Fund also advised that ongoing property level communication has re-confirmed that tenants at its properties remain safe and without injury. The Fund will provide further updates as necessary.

“We are grateful to those individuals at our properties who have worked tirelessly to ensure the safety and security of our residents during this difficult time.” commented Evan Kirsh, the Fund’s President.

#### Forward-Looking Information

This news release contains statements that may constitute forward-looking statements within the meaning of Canadian securities laws and which reflect the Fund’s current expectations regarding future events, including statements concerning the condition of the Fund’s properties, the impact of Tropical Storm Harvey, the availability of insurance and overall improvement of the financial performance of the Fund. Particularly, statements regarding future results, performance, achievements, prospects or opportunities for Fund or the real estate industry are forward-looking statements. In some cases, forward-looking statements can be identified by terms such as “may”, “might”, “will”, “could”, “should”, “would”, “occur”, “expect”, “plan”, “anticipate”, “believe”, “intend”, “seek”, “aim”, “estimate”, “target”, “project”, “predict”, “forecast”, “potential”, “continue”, “likely”, “schedule”, or the negative thereof or other similar expressions concerning matters that are not historical facts.

The forward-looking statements in this news release involve risks and uncertainties, including those set forth in the Fund’s materials filed with the Canadian securities regulatory authorities from time to time at [www.sedar.com](http://www.sedar.com). Actual results could differ materially from those projected herein. Those risks and uncertainties include, among other things, risks related to: reliance on the Fund’s manager; the condition of the Fund’s properties; the impact of Tropical Storm Harvey; the availability of insurance, the experience of the Fund’s officers and directors; substitutes for residential real estate rental suites; reliance on property management; competition for real property investments and tenants; and U.S. market factors.

Information contained in forward-looking statements is based upon certain material assumptions that were applied in developing such forward-looking statements including management's perceptions of historical trends, current conditions and expected future developments, as well as other considerations that are believed to be appropriate in the circumstances, including the following: the condition of the Fund's properties; the impact of Tropical Storm Harvey; the availability of insurance; the ability of the manager of the Fund to manage and operate the Fund's properties; the ability of the property managers selected to manage the Fund's properties; the population of multi-family real estate market participants; assumptions about the markets in which the Fund operates; the global and North American economic environment; foreign currency exchange rates; and governmental regulations or tax laws. Readers are cautioned against placing undue reliance on forward-looking statements. Except as required by applicable Canadian securities laws, neither the Fund nor its manager undertakes any obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events.
