

Evan Kirsh to Participate in Panel Discussion at National Multi-Family Housing Council Conference

Toronto – **January 9, 2018** – On January 16, 2018, Starlight U.S Multi-Family’s President, Evan Kirsh, will take part in a panel discussion at the 2018 National Multi-Family Housing Council (“NMHC”) conference being held in Orlando, Florida. The panel will be discussing continuing trends in the U.S apartment market in a panel titled: “Yield Thirst: Does the Proverbial Cup Still Runneth Over for Multi-Family?”

Evan Kirsh and two other esteemed NMHC members are set to discuss the continued yields in the U.S apartment market, whether they will remain healthy over the next two years and if supply will meet with demand. The panel will provide a dialogue with investors, ranging from veteran firms to international funds, and will provide clarity on how they are seeking to deploy capital and their expectations on returns as well as the financing structures that fit their needs.

The NMHC is a council supporting over 1300 member firms, where the leaders of the apartment industry come together to provide a forum for insight, advocacy and action. The annual meeting is the largest yearly gathering of NMHC members to network and attend informative sessions led by industry leaders, and this years meeting will mark the 40th anniversary of the NMHC.
